A few notes.

- Greg Smith will not be able to come to our luncheon this year. He will send someone capable of letting us know Shell Pipe's current situation.
- I realize this email is going to many who are probably not in the Houston area. You ARE **VERY WELCOME** to attend this event. Just be certain to let me know you're coming.
- **Please let anyone you know who's retired from Shell Pipe know about our event.** There are many who've retired in recent years in the Houston area who don't know we do this luncheon. This year I've attached info on this last year's retirees (see below). If you have contact information on any of these folks, please get that to me so I can invite these folks too.
- Finally, I'm no longer able to send US mail for this event. So, again; tell all those you know about the event – AND tell them that they need to communicate with me about attending.

Take Care & God Bless, Dan Kite
